# Celebrating sublime bond between loving dad and his daughter

"THE cars stuck on the line! Quick, get out and push, there's a train coming!" yelled Bill, our uncle-in-waiting when we were little kids. So out we jumped and helped him push the car off the line. Whew.

THE GOOD LIFE  
 Brian Andrew

gorgeous Auntie Glenys and any time he came into our orbit we pleaded with him to take us on one of his adventurous car rides. Last Saturday night we ended up on the dance floor together.

Celebrating a family wedding, 77-year-old Bill was still stepping out with still glamorous at 73 bride Glenys. Fifty three years married and still having fun. Nice. One of Bill's stunning

daughters Belinda began to dance with her Dad and I saw a sight I may never forget. While Bill had to keep an occasional eye on his feet, Belinda kept her focus on her Dad. Her beautiful, wide

eyes sparkled and glistened with adoration; the look of love an inspiration. There's something powerful about the love between a good dad and his daughter.
