New!!!

YoungStar Group Award

New for 2009-10, the YoungStar Group Award has been specially created to recognise outstanding group achievements, encompassing the Arts/Education, Sport or Community involvement sectors.

A YoungStar Group can consist of 2 or more YoungStar's aged between 8-18 years who have achieved as a team. For example, a debating team, speech & drama group, science teams, student council, double/quad sculls rowing team.

YoungStar's can be nominated as a group from across the Quest Community Newspapers footprint. They do not have to be in the same newspaper title to be eligible.

NB: An individual can not be nominated as an individual and as a team in the same month based on 'team merits'.
